# **GUIDANCE NOTES**

Connexions has always recognised that HCVYS is a key organisation representing the voluntary youth sector in Hertfordshire. Consequently, HCVYS has been chosen to administer a small grants fund. This fund will offer opportunities for voluntary youth organisations, particularly smaller 'hard to reach' groups to build their capacity to help young people to enjoy achieving, to be happy, healthy, safe and to make positive contributions for their own benefit and others.

The total budget is £50,000 administered by two small grant processes.

### Scheme I

Grants of up to £500.

#### Scheme 2

Grants up to a maximum of £ 2,000.

Applications will be considered by a grants panel consisting of members of the HCVYS Executive, HCVYS Officers, Connexions and young people. (HCVYS Development Officer presenting applications).

### Who can apply ?

Applications will be considered from any group or project affiliated to HCVYS working with young people between the ages of 13 - 19 years (or 25 years for those with special needs or disabilities). The final decision will be the responsibility of the

The grant panel will meet every 2 months and the result of its decision will be notified to the applicant in writing within one week of that meeting.

Groups may only receive one grant within any 12 month period.

If demand for grants is high the grant panel will take into account the number of grants awarded to groups from within any one organisation.

The decision of the grant panel is final. The Development Officer will provide feedback to organisations and groups that have been unsuccessful.

Any monies granted must only be used for the purpose agreed. Funding may have to be repaid if this is not adhered to.

#### Make clear in your application

- How young people are involved.
- Why/How the groups ideas fit with the funding criteria.
- What will be the benefits for the young people involved or how it will help your group provide better services for young people.
- Details of the costs involved, with a breakdown of the budget for the project. (Income & Expenditure)
